## POOL/SPA SIGNAGE REQUIREMENTS

### 64E-9.008 Supervision & Safety

(7) Rules and regulations – Rules and regulations for bathers shall be posted in minimum 1 inch letters which must be legible from the pool deck, and shall contain the following:

1. No food or beverages in pool or on pool wet deck.
2. No glass or animals in the fenced pool area (or 50 feet from unfenced pool).
3. Bathing load: \_\_\_ persons.
4. Pool hours: \_\_ a.m. to \_\_ p.m.
5. Shower before entering.

Pools of 200 square feet in area or greater without an approved diving well configuration shall have “NO DIVING”, in four inch letters included with the above listed pool rules.

**PLEASE NOTE: If you are changing or replacing existing signage, you may want to consider adding the following new rule:**

*6. For new or modified pools submitted for plan approval application on or after the effective date of this rule, their posted sign shall add: **Do not swallow the pool water.***

### 64E-9.010 Spa Pools

(14) In addition to the requirements of subsection 64E-9.008(7), F.A.C., spa pool signs shall include the following:

- (a) Maximum water temperature 104° F.
- (b) Children under twelve must have adult supervision.
- (c) Pregnant women, small children, people with health problems and people using alcohol, narcotics or other drugs that cause drowsiness should not use spa pools without first consulting a doctor.
- (d) Maximum use 15 minutes.

(15) A clock shall be visible from the spa pool to assist the patron in meeting the requirement of paragraph 64E-9.010(14)(d), F.A.C., above.

### 64E-9.011 Water Recreation Attractions and Specialized Pools

(g) In addition to the requirements of subsection 64E-9.008(7), F.A.C., all water activity pool signs shall have the following added in one inch letters within one year of the effective date of this rule.

- Do not swallow the pool water, it is recirculated.
- Do not use pool if you are ill with diarrhea.
