4 p.m. today**

## **H1N1 (Swine) Flu update in Sarasota County**

As expected, H1N1 (swine) flu activity has been increasing in our community. With Labor Day weekend approaching, we wanted to have an informal discussion with media partners on current H1N1 (swine) flu outbreaks, response actions, a reminder about precautions, and future plans to implement a mass vaccination program, once the H1N1 (swine) flu vaccine is available in our community. There will be an opportunity to ask questions.

**Charles Henry, Incident Commander,**

Sarasota County Health and Human Services Operations Center

**Ed McCrane,** Director, Sarasota County Emergency Operations

**William Heymann, M.D., F.A.C.E.P.,** Medical Director, Sarasota County Health

Department

**Lori White,** Superintendent, Sarasota County Schools

**WHERE:** Sarasota County Administration Center,  
sixth floor EOC, 1660 Ringling Blvd., Sarasota

**WHEN:** 4 p.m., Friday, Sept. 4

For more information, call Dianne Shipley from the Sarasota County Health Department at 941-861-2852.
